Suggested Gear: At least a 7 Wt. We suggest 8wt if at all possible. Sinking line. Some use a spey, although the skookumchuck can little tight for a spey.

- Flies: Think Flashy when chasing Steel. Intruders, Pick pockets, Most larger streamers with do the trick.
- Contact: Jim McAlister with questions about flies or see our local fly guy Bjorn at <http://www.theflyfisher.net/>
The fly shop is a friend of the club and will be happy to set you up with flies!

If you are interested in joining, but are new to fly fishing and do not have proper gear, please feel free to contact Jim McAlister as listed above. We will be more than happy to loan you equipment to catch a beautiful WA steelhead!
